

## Enroll Your Individual Dental and Vision Clients Online

Spirit Dental would like to encourage you to utilize our free on-line enrollment system. Once appointed with the Spirit dental products, you will receive a personalized agent link to post on your website. This will allow your clients to enroll online for the Spirit dental and vision individual products for families and seniors and eliminate the paper applications and the hassle! The application fee also drops from \$35.00 to \$20.00, a savings for your client as well as fast and efficient processing of their policy.

- System provided via a link to website.
- No additional programming to your site.
- Choose from 6 Spirit website tile ads.
- The administrator for Spirit Dental automatically knows you are the agent of record when the online enrollment reaches them. No notification is required from you.
